Public service is my passion and I’m grateful for the opportunity to stand up for you and your family and work toward making our community the best it can be.

I led the banning of ghost guns, increasing protections for immigrants from overreach by ICE. I supported increasing protections for immigrants from overreach by ICE.

Our new state budget cuts income taxes for seniors on Social Security and pensions.

We passed an increase in the minimum wage and a Paid Family and Medical Leave Program, to provide up to 12 weeks of paid leave for new parents and those caring for seriously ill family members.

Proudly Serving Norwalk and Darien
State government should stand up for you and can provide many benefits to strengthen cities and towns.

**State funding supported many local projects:**
- Rowayton Historical Society
- Lockwood-Mathews Mansion Museum
- Norwalk High School Robotics Club
- Women’s Business Development Council
- Person-to-Person, Norwalk and Darien nonprofit

**STRENGTHENING OUR ECONOMY AND EDUCATION SYSTEM**
- Connecticut’s new Paid Family and Medical Leave program will provide up to 12 weeks of paid leave for new parents, those taking care of seriously ill family members, and those caring for their own serious illnesses starting in 2022.
- Connecticut will raise the minimum wage to $15 by 2023.
- The Workforce Pipeline & Apprenticeship initiative was expanded to train people seeking employment and directly place up to 10,000 participants into good-paying jobs.
- Debt-free community college will begin in the fall of 2020 for Connecticut residents.

**PREVENTING GUN VIOLENCE AND STOPPING SEXUAL ASSAULT**
- The Time’s Up Act extended our statute of limitations for sexual assault crimes and required more sexual harassment training.
- Banned ghost guns and required firearms to be stored more safely in homes and vehicles.

**A HEALTHY CONNECTICUT**
- Raised the age for smoking and vaping to 21 and banned vaping on school grounds.
- Increased insurance coverage for mental health services.
- Fought back against the opioid epidemic through expanded treatment and increased monitoring.
- Established more protection for women’s health care.

**Passing a Fiscally Responsible State Budget**
- No increase in the general sales tax rate.
- No increase in the income tax rate.
- No new capital gains tax.
- The Rainy Day Fund has reached an all-time high of $2.45 billion.
- Increased funding for education.
- Cut income taxes for seniors on Social Security and pensions.

**PTSD COVERAGE FOR POLICE AND FIREFIGHTERS**
First responders who witness traumatic events can experience difficulty coping or adjusting. To support our police and firefighters, a new law will extend workers’ comp to incidents where a police officer or a firefighter witnesses the death or severe injury of a person in the line of duty.
