### KEEPING A HEADQUARTERS & CREATING MORE JOBS

In 2015, the Manchester headquarters of Bob's Discount Furniture needed to expand and was considering moving out of state. I worked with Bob's and state officials to keep them here in Manchester because I know how important they are to our local economy. They help local real estate prices, create jobs and give back to our community. As a result of those efforts, Bob's has just announced its plans to:

- Expand its headquarters in Manchester and NOT relocate to Massachusetts;
- Retain 325 positions in Manchester;
- Add 125 new corporate jobs over five years at the Manchester headquarters;
- Begin construction of an expanded Manchester headquarters this year with the potential of 300 construction jobs
