Stand Up to Governor Malloy's Cuts to Griffin Hospital

Griffin Hospital is vital to The Valley as a health care provider, major employer and bioscience incubator.

When Governor Malloy chose to cut hospitals in September, I immediately denounced the cuts and called for a reversal of that plan. I made the case that our hospital is unique.

I continued fighting for additional funding for Griffin Hospital throughout the fall, including the December Special Session. **Overall we successfully secured \$4.7 million for the hospital.**

Then in March, **Governor Malloy** went back on his promise to our community and **single-handedly withheld millions in funding for Griffin Hospital.** Now, the governor is starting to realize the importance of this funding and we need to keep the pressure on.

I will continue to stand up to Governor Malloy's cuts. This is going to be a very tough fight and we need everyone to have their voice heard.
That's why I am asking you to join me.

Contact Governor Malloy's office at 800-406-1527 or Governor.Malloy@CT.gov and tell him to stop hurting our local hospital.
